ACTIVITY

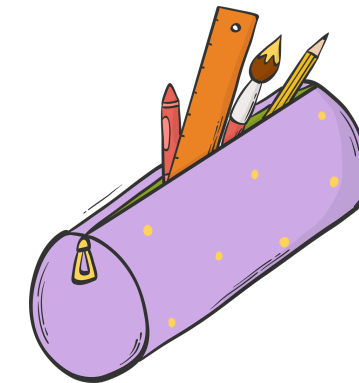

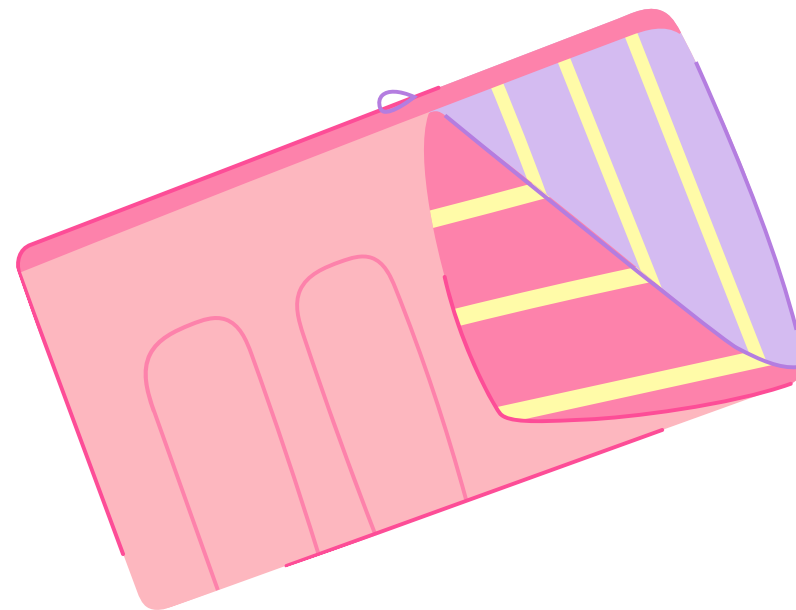

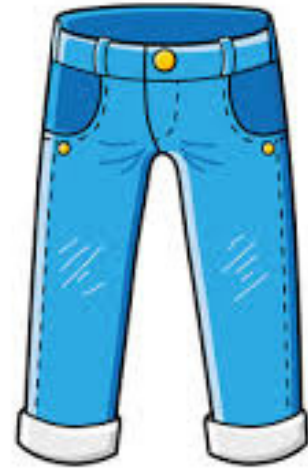

8 Mystery Boxes

- You will be in breakout rooms of 5-6 people for 10 minutes
- Each team will have their own slide deck with 8 mystery boxes (slides).
- Your slide deck number will correspond to your breakout room number.
Example: If you are in breakout room 1, you will use Activity Deck 1
- Each slide contains a set of clues that hint at a specific theme. Your team must work together to analyze the clues and determine the correct answer for each box.
- **Teamwork is key!**
 - Work through each box as a team, one at a time.
 - Discuss possible answers and ensure the group agrees before moving forward.
 - Enter your final answer on the slide. You can go back, but you must do so as a team.
- **Be sure to choose someone to copy your answers into the chat when we return to the main room.**

HOW WAS YOUR TEAMWORK?

Consider these questions as you reflect:

- Was everyone's voice heard in your group? Why or why not?
- If someone took the lead, how did they encourage participation from others?
- Did you encounter differing opinions on an answer? How did your team handle it?
- What communication skills were necessary to keep the team on track?

10 MINUTES

TEAMWORK

Building & maintaining collaborative relationships to work effectively toward common goals, while appreciating diverse viewpoints and share responsibilities.

7 BEHAVIORS THAT SHOW TEAMWORK:

1. Listening carefully and asking thoughtful questions
2. Managing conflict & respecting diverse personalities
3. Being accountable for responsibilities and deliverables
4. Using personal strengths to complement others
5. Compromising & being agile
6. Collaborating to achieve common goals
7. Building strong relationships

Take 2 minutes to rank the behaviors from least to most challenging for you.

Building Strong Relationships

What's a small way to build relationships with colleagues and supervisors?

Best Practices:

- **Show appreciation**
- **Check in with co-workers beyond just work talk**
- **Be approachable & reliable—consistency builds relationships**

Example Phrases:

- **"I really appreciate how you handled [X]. That made a big difference!"**
- **"How's everything going outside of work? Anything exciting happening this week?"**
- **"If you ever need a hand with something, I'm happy to help—just let me know!"**

Breakout Rooms

- **You'll be in groups of 5-6 Fellows for 20 minutes. Each group will be focused on one of the remaining teamwork behaviors.**
- **For your teamwork behavior your group will be sharing:**
 - **Best Practices** - What are key habits that make this behavior successful?
 - **Example Phrases** - What could you say in real life situations?
 - **A Scenario & Resolution** - What's a common challenge, and how would you resolve it?
- **Roles:**
 - **Notetaker(s):** Capture key points on the slide deck (link on schedule)
 - **Presenter(s):** Share back with the group
 - **Facilitator/Timekeeper:** Ensures discussion stays on track

REFLECTION & ACTION PLANNING

Self Reflection:

What's one small action you can take this week to strengthen your teamwork skills?

Action Commitment:

"One teamwork behavior I will work on improving is _____, and I will practice it by _____."
